Delburne Celebrates Fiber Optics with a Kick-Off BBQ

The Village of Delburne, Valo Networks, and Tether Communications held a Fiber Optic Kick-Off BBQ on Wednesday, September 16th to celebrate the beginning of construction on the fiber optics network. Over 90 residents came out to learn about the high speed internet project. Tether Communications raffled off an iPad Mini with the winner being Kerry McKenzie.

Construction crews will be primarily working in alleyways but you can expect to see equipment moving on main roadways between blocks. Residents who requested a consult as part of their authorization will be contacted **48 hours** in advance of construction on their property. The 3 phase construction project is expected to be completed in early December. During phase 1 and 2, crews will be working from north to south and east to west. Phase 3 will be north to south and then west to east. Copies of the construction plan and phase map can be picked up at the Delburne Municipal office

or viewed on our website: www.delburne.ca/about-delburne/fiber-optic-internet

Residents are asked to keep their yards free of major obstructions. For safety reasons, please stay clear of construction crews and equipment while they are working. Please keep your pets indoors while crews are working on your property. Internet services will become available **after** construction has completed for the entire village. Phone and television services are scheduled to be a value-added service offering in 2021. For more information contact Tether Communications by calling 1-877-846-8740 or visit www.tetheralberta.com

Gratitude Pumpkins

Thanksgiving is a time for being thankful for what you have.

- ❖ Being thankful means being happy for what you have.
- ❖ Let's make a gratitude pumpkin!

How to Make a Gratitude Pumpkin:

1. Keep your (non-cut) pumpkin on your kitchen counter or dining room table with a sharpie so it's easy to remember to write on it.
2. Every evening when you eat dinner, discuss with your family what you're grateful for and record it.
3. Put your gratitude pumpkin out at thanksgiving dinner! Start soon so your pumpkin is nice and full
Fun tips!

*use gold, white or silver sharpies *have a gratitude pumpkin for each family member *pick pumpkins with stems so you can tie a unique ribbon on each to know which pumpkin belongs to which family member *reuse these pumpkins to carve with after thanksgiving *if you want to get extra crafty you can type up and print out everything you're grateful for, and then using mod podge stick it to your pumpkin.

BOO!

A Halloween BOO is a tradition of surprising neighbours with treats during the month leading up to the holiday.

The idea is to anonymously leave a little gift that includes a little ghost and some treats. Once they have boo'd they hang the ghost on their front door for everyone to see.

Delburne FCSS would like share some BOO's in our community.

If you would like to be boo'd or would like to boo someone please contact Carol by email: delbfcss@delburne.ca or ph: 403-749-3654
There is a limited number of gift bags.

1. Halloween is full of ghosts, goblins and things that glow. If you need toilet paper to make a mummy, this is where you should go. (Bathroom)
2. A witch cackles loud and a ghost says boo, where the milk goes is your next clue. (Refridgerator)
3. We all dress up in fun costumes, to celebrate Halloween. This clue is hiding where your clothes get clean. (Laundry Room)
4. It's Halloween Night, and it's time for a treat. Find your next clue where we sit to eat. (Table)
5. Candy, costumes, parties and yummy food to eat, now go to where people knock and say "trick or treat." (Front Door)
6. You're halfway through this Halloween hunt of ours, your next clue can be found inside one of our cars. (Inside a car)
7. Halloween night can be scary, but it doesn't have to be. Your next clue is hanging, where lots of leaves might be (By a tree)
8. Now it's time to go back inside because it is cold. Once back inside look for how the TV is controlled. (TV remote control)
9. Halloween is full of treats, go to where you bake lots of sweets. (Oven)
10. Halloween is one of those nights you get to stay up late. Your next clue is hidden with your favourite cup and plate. (Pantry)
11. You're on your way to the Grand Halloween prize. Now go to the place where you lay down and close your eyes. (Bed)
