BYLAW NO. 1190/2023

BEING A BYLAW TO REGULATE AND CONTROL THE USE AND DEVELOPMENT OF LAND AND BUILDINGS IN THE VILLAGE OF DELBURNE

WHEREAS the *Municipal Government Act*, and amendments thereto, authorize the Council of a municipality to enact a *Land Use Bylaw* to prohibit or regulate and control the use and development of land and buildings within the municipality.

NOW THEREFORE the Council of the Village of Delburne in the Province of Alberta, enacts as follows:

PART 1: GENERAL

1.1 Short Title

This Bylaw may be cited as "The Village of Delburne Land Use Bylaw".

1.2 Purpose

The purpose of this Bylaw is to, amongst other things,

- (1) divide the municipality into Districts;
- (2) prescribe and regulate the use for each District;
- (3) establish the roles of the Development Authority;
- (4) establish a method of making decisions on applications for development permits including the issuing of development permits;
- (5) provide the manner in which notice of the issuance of a development permit is to be given; and
- (6) implement the statutory plans of the Village of Delburne.

1.3 Compliance with Other Legislation

- (1) Compliance with the requirements of this Land Use Bylaw does not exempt any person from
 - (a) the requirements of any federal, provincial or municipal legislation; and
 - (b) complying with any easement, covenant, agreement or contract affecting the development.

1.4 Sections Found Invalid

- (1) If one or more provisions of this Land Use Bylaw are for any reason declared to be invalid, it is intended that all remaining provisions are to remain in full force and effect.

1.5 Municipal Planning Commission

- (1) The Municipal Planning Commission is established by this Bylaw pursuant to the Municipal Government Act. The Municipal Planning Commission:
 - (a) is authorized to act as the Development Authority in those matters prescribed in this Bylaw and the Municipal Planning Commission Bylaw No. 799;
 - (b) shall issue decisions and if necessary state terms and conditions for development permit applications for those uses listed as Permitted Uses which the Development Officer refers to the Municipal Planning Commission; and
 - (c) shall issue decisions and if necessary state terms and conditions for development permit applications for those uses listed as Discretionary Uses which the Development Officer refers to the Municipal Planning Commission.
- (2) The Municipal Planning Commission may:
 - (a) direct the Development Officer to review, research or make recommendations on any other planning and development matter; and
 - (b) make recommendations to Council on planning and development matters.

1.5.1 Subdivision Authority

- (1) The Subdivision Authority is established by this Bylaw pursuant to the Municipal Government Act.
- (2) The Subdivision Authority shall exercise subdivision powers and duties on behalf of the Village.
- (3) Pursuant to the provisions of the Municipal Government Act, the Municipal Planning Commission of the Village of Delburne is the Subdivision Authority for the Village.
- (4) The signing authority for the Subdivision Authority shall be the Chairperson of the Municipal Planning Commission or his designate. In absence of the Chairperson of the Municipal Planning Commission, the Chief Administrative Officer shall be the signing authority of the Subdivision Authority.

1.6 Establishment of Development Officer

- (1) The office of the Development Officer is hereby established and such office shall be filled by a person or persons to be appointed by resolution of Council.

1.7 Authority and Responsibility of Development Officer

- (1) The Development Officer shall perform such duties that are specified in this Land Use Bylaw, including among other things
 - (a) receive and process all applications for development permits;
 - (b) review each development permit application to ascertain whether it is complete and in accordance with the information requirements of this Bylaw;
 - (c) review each development permit application to determine its appropriate use definition and, if necessary, require the applicant to apply for a permit for a different use definition or make application to amend this Land Use Bylaw;
 - (d) issue decisions and if necessary state terms and conditions for development permit applications for those uses listed as Permitted Uses in the subject land use district;
 - (e) refer to the Municipal Planning Commission for its consideration any development permit application with respect to a Discretionary Use and such other matters as the Municipal Planning Commission may direct;
 - (f) provide notice of decisions on development permit applications in accordance with the notification requirements of this Land Use Bylaw;

LAND USE BYLAW – PART TWO

- (g) keep a register of all applications for development, including the decisions thereon and the reasons therefore;
 - (h) prepare such forms and notices as they may deem necessary for the purpose of administering this Land Use Bylaw with such forms and notices having the full force and effect of this Land Use Bylaw in the execution of the purpose for which they were designed, authorized and issued; and
 - (i) keep and maintain for the inspection of the public during all reasonable hours, a copy of this Land Use Bylaw and all amendments thereto.
- (2) The Development Officer may
- (a) refer any application to an adjacent municipality or any other agency or land owner which in the Development Officer's opinion may provide relevant comments or advice respecting the application;
 - (b) at their discretion, refer to the Municipal Planning Commission for its consideration any development permit application with respect to a permitted use; and
 - (c) refer any other planning or development matter to the Municipal Planning Commission for its review, support or direction.
- (3) The Development Officer shall receive, determine whether the application is Complete, and process subdivision applications on behalf of, and make Recommendations to, the Subdivision Authority.
- (4) A subdivision application shall be made to the Development Officer on the prescribed form and shall be signed by the applicant or their agent.
- (5) In addition to the completed application form and application fee, the applicant shall provide such information in a format as may be required to the satisfaction of the Subdivision Authority.
- (6) A conditionally approved subdivision submitted for endorsement that has minor modifications to the approved plan may be authorized by the Development Officer provided:
- (a) The number of parcels does not increase;
 - (b) Municipal, school, or environmental reserves are not compromised;
 - (c) Municipal roads and standards are not compromised;
 - (d) Such adjustments comply with municipal bylaws, except that minor changes To Land Use Bylaw standards may be included as provided for in Section 654(2) of the Act.

1.8 Establishment of Forms

- (1) For purposes of administering this Land Use Bylaw, the Development Officer shall prepare such forms and notices as he or she may deem necessary.
- (2) Any such forms or notices are deemed to have the full force and effect of this Land Use Bylaw in the execution of the purpose for which they were designed, authorized and issued.

1.9 Establishment of Districts

- (1) For the purpose of this Land Use Bylaw, the Village of Delburne is divided into the following Districts:

Low Density Residential District	R1
Low Density Narrow Lot Residential District	R1-A
General Residential District	R2
Manufactured Home District	R3
Central Commercial District	C1
Highway Commercial District	C2
District Shopping Centre	C3
Industrial District	I
Public/Institutional District	P
Reserved for Future Development District	FD
Direct Control District	DC
Public Recreation District	PR

- (2) The boundaries of the Districts listed in subsection (1) are as delineated on the Land Use District Map being Schedule A hereto. All roads, water courses and lakes are excluded from the Land Use Districts.
- (3) Where the location of District boundaries on the Land Use District Map is not clearly understood, the following rules shall apply:
 - (a) a boundary shown as approximately following a parcel boundary shall be deemed to follow the parcel boundary;
 - (b) a boundary which does not follow a parcel boundary shall be located by measurement of the Land Use District Map; and

- (c) a boundary location which cannot be satisfactorily resolved, shall be referred to Council for an official interpretation.

1.10 Repeal

- (1) Land Use Bylaw No. 1108 and all amendments thereto are hereby repealed.

1.11 Rules of Interpretation

- (1) Words used in the present tense include the other tenses and derivative forms. Words used in the singular include the plural and vice versa. Words used in the masculine gender shall also mean the feminine gender and the neutral. Words have the same meaning whether they are capitalized or not.
- (2) Words, phrases and terms not defined in this Land Use Bylaw may be given their definition in the *Municipal Government Act*, *Subdivision and Development Regulation* or the *Alberta Building Code*. Other words shall be given their usual and customary meaning.
- (3) The words “shall” and “must” require mandatory compliance except where a variance has been granted pursuant to this Land Use Bylaw.
- (4) Where a specific use does not conform to the wording of any use definition or generally conforms to the wording of two or more use definitions, the Development Authority may, using discretion, deem that the use conforms to and is included in that use class considered to be the most appropriate in character and purpose provided that the specific use is substantially similar in nature, character and impact as the other uses listed in the use class. In such case, the use shall be considered a discretionary use, whether or not the use class is listed as permitted or discretionary within the District.
- (5) Imperial equivalents are provided beside every metric value in this Land Use Bylaw for convenience. Such equivalents are rounded to the nearest whole number. The metric value is the actual standard to be used.

 - (d) a copy of the Certificate of Title to the land and, if the applicant is not the owner, a statement of the applicant's interest in the land together with the written consent of the owner to the application;
 - (e) the estimated commencement and completion dates;
 - (f) the estimated cost of the project or contract price;
 - (g) all sign locations and designs, if any, for sign application requirements refer to PART 6; and
 - (h) such other plans and information as the Authority may consider necessary to properly evaluate the proposed development.
- (2) The Development Officer may refuse to accept an application for a development permit where the information required by subsection (1) has not been supplied or where, in the opinion of the Development Officer, the quality of the material supplied is inadequate to properly evaluate the application.
- (3) The Development Officer may deal with an application and make a decision without all of the information required by subsection (1), if it is the opinion of the Development Officer that a decision on the application can be properly made without such information.

- (4) Each application for a development permit shall be accompanied by a non-returnable processing fee, the amount of which shall be determined from time to time by resolution of Council.

2.4 Decisions on Permitted Uses

- (1) For a **permitted use** in any District other than a Direct Control District, the Development Authority shall approve an application for a development permit for a permitted use if the application conforms to the requirements of the Land Use Bylaw, the *Act* and the *Subdivision and Development Regulation* and statutory plans, and the Development Authority may attach conditions to the permit necessary to ensure any of the following:
- (a) arrangements satisfactory to the Development Authority for the supply of utilities including, but not limited to, water, electric power, sanitary sewer, storm sewer, natural gas, cable, or any one or more of them, including payment of the cost of installation or construction of any such utility or facility by the applicant;
 - (b) arrangements satisfactory to the Development Authority for vehicular and pedestrian access from public roads and trails, on-site vehicular and pedestrian circulation, parking, loading, landscaping or drainage, or any one or more of these matters, including payment of the costs of installation or constructing any such facility by the applicant;
 - (c) that the applicant enters into a development agreement or an interim agreement, which shall form part of such development permit and may be required to be registered by caveat against title to the site at the Land Titles Office, to do any or all of the following:
 - (i) to construct or pay for the construction of a road required to give access to the development;
 - (ii) to construct, or pay for the construction of:
 - 1. a pedestrian walkway system to serve the development, or
 - 2. pedestrian walkways to connect the pedestrian walkway system serving the development with a pedestrian walkway system that serves or is proposed to serve an adjacent development, or both;
 - (iii) to install or pay for the installation of public utilities, other than telecommunications systems or works, that are necessary to serve the development;
 - (iv) to construct or pay for the construction of:
 - 1. off-street or other parking facilities; and
 - 2. loading and unloading facilities;

- (d) that the applicant pays an off-site levy or redevelopment levy imposed by a bylaw adopted pursuant to the *Municipal Government Act*;
 - (e) that the applicant provides security to ensure compliance with this Bylaw, a development permit, an agreement under this clause and/or a statutory plan, which security may include, but is not limited to, an irrevocable letter of credit or charge against the title to the site;
 - (f) that the applicant provides and causes to be registered on the applicable titles any easements, right-of-way agreements, encroachment agreements or restrictive covenants which in the opinion of the Development Authority are required; and
 - (g) that the applicant provide a real property report to the satisfaction of the Development Authority.
- (2) If an application for a development permit for a permitted use does not conform to the requirements of the Land Use Bylaw, the *Municipal Government Act* and the *Subdivision and Development Regulation* and statutory plans, the Development Authority:
- (a) may refuse the application giving reasons for the refusal; or
 - (b) may approve the application subject to conditions to ensure that the application conforms to the requirements of the Land Use Bylaw, the *Municipal Government Act* and the *Subdivision and Development Regulation* and statutory plans; or
 - (c) may approve the application pursuant to Section 2.6 and subject to those conditions listed in subsection (1).

2.5 Decisions on Discretionary Uses

- (1) For a **discretionary use** in any District other than a Direct Control District, the Development Authority may approve an application for a discretionary use with or without conditions, based on the merits of the proposed development including its relationship to any approved statutory plan, non-statutory plan or approved policy affecting the site, subject to the following conditions:
- (a) conditions listed in subsection 2.4(1); and
 - (b) any conditions that the Development Authority may deem appropriate to ensure compatibility with the amenities of the neighborhood and the use, enjoyment and value of neighboring parcels of land, including, but not limited to, the following:
 - (i) limiting the time of operation including hours of the day, days of the week, and parts of the year;

- (ii) limiting the number of patrons;
 - (iii) requiring attenuation or mitigation of noise or any other nuisances that may be generated by the proposed development;
 - (iv) regarding the location, character and appearance of buildings;
 - (v) regarding the grading of the site or such other matters as are necessary to protect the site from other developments or to protect other developments from the site; and
 - (vi) establishing the period of time for which a development permit is valid.
- (2) The Development Authority, in its discretion, may refuse an application for a discretionary use permit giving reasons for its refusal.

2.6 Granting Relaxations

- (1) The Development Authority may approve, with or without conditions, an application for development that does not comply with this Bylaw if, in the opinion of the Development Authority:
- (a) the proposed development conforms with the use prescribed for that land or building in this Land Use Bylaw; and
 - (b) the proposed development would not
 - (i) unduly interfere with the amenities of the neighbourhood, or
 - (ii) materially interfere with or affect the use, enjoyment or value of neighbouring parcels of land.
- (2) In approving an application for development pursuant to subsection (1) the Development Authority shall adhere to the following:
- (a) except as otherwise provided in this Bylaw, there shall be no variance on density regulations;
 - (b) except as otherwise provided in this Bylaw, where the decision on an application is being made by the Development Officer a variance shall not be granted for less than ninety percent (90%) of any minimum regulation or more than one hundred and ten percent (110%) of any maximum regulation;
 - (c) have regard to the purpose and intent of the District and the nature of developments on adjacent properties; and

- (d) where the issuance of a development permit involves the exercise of any specified discretion of the Development Authority to relax a regulation of a District or any other regulation of this Bylaw, the Development Authority shall not permit any additional variance from that regulation.
- (3) In the event that a relaxation is granted, the nature of the approved relaxation shall be specifically described in the development permit approval.
- (4) Any relaxation granted by the Development Authority may be subject to an appeal in accordance with Section 2.11.

2.7 Notification of Decision

- (1) A decision of the Development Authority on an application for a development permit shall be given in writing and a copy of it sent to the applicant.
- (2) When the Development Authority refuses an application for a development permit, the decision shall contain reasons for the refusal.
- (3) When an application for a permitted use is approved with or without conditions, the Development Officer shall publicize a notice of the issuance of the permit in any or all of the forms described as follows:
 - (a) mail a notice of the decision to all persons that the Development Officer considers may be affected; or
 - (b) post a notice of the decision conspicuously on the property for which the application has been made; or
 - (c) publish in a newspaper circulating in the municipality a notice of the decision; or
 - (d) display a notice of the decision in a publicly accessible area of the Village Office.
- (4) The date of notice of decision is deemed to have been given on the date (whichever is the later) the notice is issued in accordance with this section.
- (5) When an application for a discretionary use or a permitted use where a relaxation has been granted is approved with or without conditions, the Development Officer shall publicize a notice of the issuance of the permit in any or all of the forms listed in subsection 2.7(3).

2.8 Effective Date of a Development Permit

- (1) A development permit shall not become effective until twentyone (21) days after the date on which notice of issuance of the permit is given under subsections 2.7(3)(b), (c) or (d) or 28 days after the date on which notice of issuance of the permit is given, if such notice is given under subsection 2.7(3)(a) by ordinary mail, whichever last occurs.
- (2) Any development proceeded with by the applicant prior to the effective date described in subsection (1) is done solely at the risk of the applicant.
- (3) Where an appeal is made pursuant to the *Municipal Government Act*, a development permit shall not become effective until the appeal has been heard and a decision rendered, whereby the original decision of the Development Authority may be modified or nullified.

2.9 Cancellation or Expiry of a Development Permit

- (1) If the development authorized by a permit is not commenced within twelve (12) months from the date of its issue, or the date of decision of the Subdivision and Development Appeal Board upon appeal nor carried out with reasonable diligence as determined by the Development Authority, the permit ceases to be effective, unless an extension to this period, being no longer than an additional twelve (12) months, has previously been granted by the Development Authority.
- (2) A development, once begun, shall not be abandoned, or left for an extended period of time in what the Development Officer considers to be an unsightly or unsafe condition.
- (3) The Development Authority may cancel a development permit if
 - (a) the permit was issued in error;
 - (b) a contravention of the conditions of the development approval takes place;
or
 - (c) the permit was issued on the basis of incorrect information.

2.10 Resubmission Interval

- (1) In the case where an application for a development permit has been refused pursuant to this Part or ultimately after appeal to the Subdivision and Development Appeal Board the submission of another application for a permit on the same parcel and for the same or similar use of land by the same or any other applicant may not be accepted by the Development Authority for at least six (6) months after the date of the final decision unless in the opinion of the Development Authority the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly.

2.11 Development Permit Appeals

- (1) An appeal may be made to the Subdivision and Development Appeal Board
 - (a) By the applicant, where the Development Authority
 - (i) refuses or fails to issue a development permit; or
 - (ii) issues a development permit subject to conditions; or
 - (iii) issues an order under the *Municipal Government Act*; or
 - (iv) fails to make a decision with respect to an application within forty (40) days of receipt of an application or within such longer period as the applicant may have approved in writing.
 - (b) Or by any person claiming to be affected by an order, decision or development permit made or issued by a Development Authority.
- (2) No appeal lies in respect of the issuance of a development permit for a Permitted Use unless the provisions of this Land Use Bylaw were relaxed, varied, or misinterpreted.
- (3) An appeal to the SDAB is commenced by filing a written notice of the appeal, containing reasons, with the SDAB within fourteen (14) consecutive days,
 - (a) in the case of an appeal made by a person referred to in subsection 2.11(1)(a) after
 - (i) the date on which the person receives notice of the order or decision or the issuance of the development permit; or
 - (ii) if no decision is made with respect to the application within the 40-day period or within any extension of this time limit referred to under subsection 2.11(1)(a)(iv), the date the period or extension expires; or

- (b) in the case of an appeal made by a person referred to in subsection 2.11(1)(b), after the date on which the notice of the issuance of the permit was received or posted.
- (4) The Subdivision and Development Appeal Board must hold an appeal hearing within thirty (30) days after receipt of a notice of appeal in accordance with the *Municipal Government Act*.

2.12 Professional Fees, Charges, Costs

- (1) All costs incurred by the Municipality for technical or external review or processing of a planning application (or proposed statutory plan or amendment, or land use bylaw amendment) and related matters shall be paid by the applicant/developer. Such costs shall include, but are not limited to, all legal, planning, and engineering costs for:
 - (a) public hearing/meeting attendance or preparation;
 - (b) inspections or material testing;
 - (c) preparation or review of drawings or plans (e.g. area structure, outline, concept, or engineering plans);
 - (d) preparation, implementation, or enforcement of development agreements;
 - (e) review of proposed amendments to the Municipality's municipal development plan, other statutory plans, or land use bylaw (including redistricting); and
 - (f) review and processing of subdivision or development applications (including the registration of plans or documents with land titles),

all of which costs shall be the responsibility of the applicant/developer whether or not the agreement, application, or plans are ultimately used or executed.

- (2) Where Council has not established a particular fee or charge amount for such costs, administration shall develop and apply a method of calculation for the fees or charge based upon full cost recovery.
- (3) The costs described herein may be recovered under a development agreement entered into as a condition of a development permit or subdivision approval, or may be otherwise collected as incurred by the municipality.

PART 3: CONTRAVENTION, OFFENCES & PENALTIES

3.1 Contravention and Enforcement

- (1) If the Development Authority finds that a development, land use or use of a building is not in conformity with
- (a) the Land Use Bylaw, Part 17 of the *Municipal Government Act* or *Subdivision and Development Regulation*, or
 - (b) a development permit or subdivision approval,

the Development Authority may, by written notice, order the owner, the person in possession of the land or building, or the person responsible for the contravention, or any or all of them, to

- (c) stop the development or use of the land or building in whole or in part as directed by the notice;
- (d) demolish, remove or replace the development; or
- (e) carry out other actions required by the notice so that the development or use of the land or building complies with the Land Use Bylaw, Part 17 of the *Municipal Government Act* or *Subdivision and Development Regulation*, a development permit or subdivision approval;

and in such order establish a time for reasonable compliance with such order.

- (2) Any person who receives an order under subsection (1) may appeal to the Subdivision and Development Appeal Board pursuant to Section 2.11 of this Land Use Bylaw.
- (3) The Development Authority may register a caveat under the *Land Titles Act* in respect of an order referred to in subsection (1) against the certificate of title for the land that is the subject of the order. A caveat registered under this subsection must be discharged once the order has been complied with.
- (4) Where a person fails or refuses to comply with an order directed to him/her under subsection (1) or an order of the Subdivision and Development Appeal Board under the *Municipal Government Act* within the time specified, the Council may seek a court order from the Court of Queen's Bench for any or all of the following:

- (a) a declaration that the person who received an order is in breach of the Land Use Bylaw, an order issued under the Land Use Bylaw and/or the Subdivision and Development Appeal Board's decision relating to an appeal of an order,
 - (b) an injunction ordering the person who received an order referred to in subsection (1) to comply with the Land Use Bylaw within a certain period of time,
 - (c) an order providing that, if compliance has not been achieved within the period stated in the court order, that the Council or persons appointed by it has the right to enter upon the land and building and take steps necessary to achieve compliance with the Land Use Bylaw,
 - (d) an order that legal costs and the costs to achieve compliance incurred by the municipality can be added to the tax roll for the land that is the subject of the court order,
 - (e) a provision that the court order may be registered against the certificate of title for the land that is the subject of the court order and discharged only on full compliance with the court order.
- (5) Where a person fails or refuses to comply with an order directed to him/her under subsection (1) or an order of the Subdivision and Development Appeal Board under the *Municipal Government Act* within the time specified, the Council or persons appointed by it may, in accordance with the *Municipal Government Act*, enter upon the land or building and take such action as is necessary to carry out the order.
- (6) For the purpose of entering and inspecting land or buildings as described in the *Municipal Government Act*, the Development Officer and any other persons appointed by Council, are hereby declared to be a "Designated Officer".

3.2 Offences and Penalties

- (1) A person who contravenes or does not comply with
- (a) the Land Use Bylaw,
 - (b) Part 17 of the *Municipal Government Act*,
 - (c) the *Subdivision and Development Regulation*,
 - (d) an order under subsection 3.1(1) of this Bylaw,
 - (e) a development permit or subdivision approval, or a condition therein,
 - (f) a decision of the Subdivision and Development Appeal Board, or

LAND USE BYLAW – PART THREE

- (g) who obstructs or hinders any person in the exercise or performance of his powers or duties under this Land Use Bylaw,

is guilty of an offence.

- (2) A person who is guilty of an offence referred to in subsection (1) shall be liable to a penalty in the amount specified in Schedule B of this Bylaw, or in the case of an offence for which there is no specified penalty in Schedule B to a fine of not less than \$250.00 and not more than \$10,000.00 or to imprisonment for not more than one year, or to both fine and imprisonment.
- (3) An issued penalty for contravention of subsection (1), shall be paid within sixty (60) days from the date of issue to the Village in the amount set out for the offence in Schedule B. If payment is made within the time limit, then such payment shall be accepted in lieu of prosecution of the same offence.
- (4) Where a person fails to pay a penalty issued for contravention of subsection (1) within sixty (60) days from the date of issue, Council may add that penalty amount owing by the owner of the parcel of land to the tax roll or to the tax roll of the parcel of land where the contravention occurred.
- (5) Where a contravention or offence is of a continuing nature, the Designated Officer may further issue a penalty of not less than \$500.00 and not more than \$2,500.00 for each day the offence continues.
- (6) Where a person is convicted of a second, third or subsequent offence under a particular section of this Bylaw, and where that offence has occurred within twelve (12) months after the date of the occurrence of the first offence under that section of this Bylaw the specified penalties applicable upon conviction for such second, third or subsequent offence shall be the amount set out in Schedule B.
- (7) Where a person is found guilty of an offence under this Land Use Bylaw, the court may in addition to any other penalty imposed, order the person to comply with the Land Use Bylaw, or a development permit or condition attached thereto.
- (8) The levying and payment of any penalty, or the imprisonment for any period as provided for in this Bylaw shall not relieve a person from the necessity of paying any fees, charges or costs for which he is liable under the provisions of this Bylaw or the *Municipal Government Act*.

PART 4: AMENDING THE LAND USE BYLAW

4.1 Amendment of the Land Use Bylaw

- (1) The Council on its own initiative may give first reading to a bylaw to amend this Land Use Bylaw.
- (2) A person may make application to the Development Officer for amendment to this Land Use Bylaw. The application shall include:
 - (a) a statement of the specific amendment requested;
 - (b) the purpose and reasons for the application;
 - (c) if the application is for a change of District, the legal description of the lands, or a plan showing the location and dimensions of the lands;
 - (d) a statement of the applicant's interest in the lands; and
 - (e) an application fee, the amount of which shall be determined from time to time by resolution of Council.
- (3) If the amendment is for redesignation of land, the Development Officer may require:
 - (a) an outline plan for the area to be redesignated, to the level of detail specified by the Development Officer; and
 - (b) payment of a fee equal to the costs incurred by the Village to review the proposed redesignation and/or related outline plan, or if necessary to prepare an outline plan.
- (4) Upon receipt of an application for amendment to this Land Use Bylaw, the Development Authority shall initiate or undertake an investigation and analysis of the potential impacts of development resulting from or allowed as a result of the proposed amendment. The analysis shall be based on the full development potential of the proposed amendment and not on the merits of any particular development proposal. The analysis shall, among other things consider the following impact criteria:
 - (a) relationship to and compliance with approved statutory plans and Council policies;
 - (b) relationship to and compliance with statutory plans or outline plans in preparation;

LAND USE BYLAW – PART FIVE

- (c) compatibility with surrounding development in terms of land use function and scale of development;
 - (d) traffic impacts;
 - (e) relationship to, or impacts on, services such as water and sewage systems, and other public utilities and facilities such as recreation facilities and schools;
 - (f) relationship to municipal land, right-of-way or easement requirements;
 - (g) effect on stability, retention and rehabilitation of desirable existing uses, buildings, or both in the area;
 - (h) necessity and appropriateness of the proposed amendment in view of the stated intentions of the applicant; and
 - (i) relationship to the documented concerns and opinions of area residents regarding development implications.
- (5) Upon receipt of an application for amendment to this Land Use Bylaw, the Development Authority shall determine when the application will be placed before the Council and shall issue not less than five (5) days' notice to the applicant advising that he/she may appear before the Council at that time, and speak to the application. An application for amendment shall be placed before the Council within sixty (60) days of its receipt by the Development Authority.
- (6) Council, in considering an application for an amendment to this Land Use Bylaw, may at its sole discretion:
- (a) refuse the application; or
 - (b) refer the application for further information; or
 - (c) pass first reading to a bylaw to amend this Land Use Bylaw, with or without conditions or amendments; or
 - (d) defeat first reading of a bylaw to amend this Land Use Bylaw; or
 - (e) pass first reading of an alternative amendment to this Land Use Bylaw, with or without conditions.
- (7) Following first reading of an amending bylaw, the Council shall
- (a) establish the date, time and place for a public hearing on the proposed bylaw;

LAND USE BYLAW – PART FIVE

- (b) outline the procedures to be followed by anyone wishing to be heard at the public hearing; and
 - (c) outline the procedure by which the public hearing will be conducted.
- (8) Following first reading of an amending bylaw, the Development Authority must give notice of the public hearing by:
 - (a) publishing notice at least once a week for two (2) consecutive weeks in at least one newspaper or other publication circulating in the area to which the proposed bylaw relates; or
 - (b) mailing or delivering notice to every residence in the area to which the proposed bylaw relates.
- (9) A notice of a public hearing must be advertised at least five (5) days before the public hearing occurs.
- (10) A notice must contain:
 - (a) a statement of the general purpose of the proposed bylaw and public hearing;
 - (b) the address where a copy of the proposed bylaw and any document relating to it or the public hearing may be inspected; and
 - (c) the date, place and time where the public hearing will be held.
- (11) In the case of an amendment to change the District designation of a parcel of land, the Development Officer must, in addition to the requirements of subsections (7) through (10),
 - (a) include in the notice
 - (i) the municipal address, if any, and the legal address of the parcel of land; and
 - (ii) a map showing the location of the parcel of land;
 - (b) give written notice containing the information described in clause (a) and subsection (7) to the assessed owner of that parcel of land at the name and address shown in the assessment roll of the municipality; and
 - (c) give written notice containing the information described in clause (a) and subsection (7) to each owner of adjacent land at the name and address shown for each owner on the assessment roll of the municipality.

LAND USE BYLAW – PART FIVE

- (12) If the land referred to in subsection (11)(c) is in the County of Red Deer, the written notice must be given to that municipality and to each owner of adjacent land at the name and address shown for each owner on the tax roll of Red Deer County.
- (13) Notwithstanding subsections (7) and (8), the Land Use Bylaw may be amended without giving notice or holding a public hearing if the amendment corrects clerical, technical, grammatical, or typographical errors and does not materially affect the Land Use Bylaw in principle or substance.
- (14) In the public hearing, the Council
- (a) must hear any person, group of persons, or person representing them, who claims to be affected by the proposed bylaw and who has complied with the procedures outlined by the Council; and
 - (b) may hear any other person who wishes to make representations and whom the Council agrees to hear.
- (15) After considering the representations made to it about the proposed bylaw at the public hearing and after considering any other matter it considers appropriate, the Council may,
- (a) pass the bylaw;
 - (b) refer it for further information or comment;
 - (c) make any amendment to the bylaw it considers necessary and proceed to pass it without further advertisement or hearing; or
 - (d) defeat the bylaw.
- (16) Prior to third reading of the proposed bylaw, Council may require the applicant to apply for a development permit and negotiate a development agreement in respect of the proposal that initiated the application for amendment.
- (17) After third reading of the proposed bylaw, the Development Officer shall send a copy of it to
- (a) the applicant;
 - (b) the registered owner of the land if not the applicant;
 - (c) an approved municipal planning services provider; and
 - (d) Red Deer County, if it received a copy of the proposed bylaw pursuant to subsection (12).

- (18) In this section,
- (a) “**adjacent land**” means land that is contiguous to the parcel of land that is being redesignated and includes
 - (i) land that would be contiguous if not for a highway, road, river or stream; and
 - (ii) any additional land identified by the Development Officer; and
 - (b) “**owner**” means the person shown as the owner of land on the assessment roll prepared pursuant to the *Municipal Government Act*.
- (19) The Development Officer shall not accept an application for an amendment which is identical or similar to an application which was refused by the Council, for a period of three (3) months after the date of the refusal unless, in the opinion of the Development Officer, the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly.

PART 5: SUPPLEMENTARY REGULATIONS

BUILDINGS

5.1 Accessory Buildings

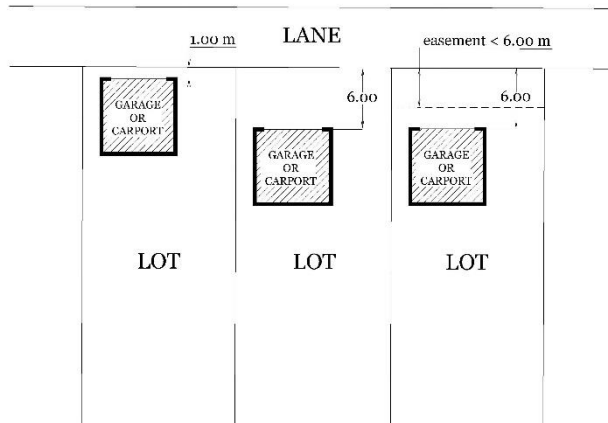

- (1) All Districts
- (a) No accessory building or any portion thereof shall be erected or placed within the front yard of a parcel.
 - (b) An accessory building on an interior parcel shall be situated so that the exterior wall is at least 1.0 m (3.3 ft) from the side and rear boundaries of the parcel.
 - (c) An accessory building on a corner parcel shall not be situated closer to the street than the main building. It shall not be closer than 1.0 m (3.3 ft) to the other side parcel boundary or the rear parcel boundary.
 - (d) Notwithstanding subsection (b), an accessory building or any portion thereof may be erected or placed on the rear or side boundary common to two parcels provided the accessory building serves the two abutting parcels.
 - (e) An accessory building must not be used for human habitation.

LAND USE BYLAW – PART FIVE

- (f) No part of an accessory building shall, except eaves, gutters, signs or canopies which are subject of an encroachment agreement, shall project into a public or private right-of-way.

(2) Residential Districts

- (a) An accessory building shall not be more than 4.5 m (14.8 ft) in height, and shall not exceed the height of the main building.
- (b) Accessory buildings shall not individually exceed 70.0 m² (753.5 sq ft).
- (c) The maximum number of accessory buildings on a lot shall exceed two (2).
- (d) The combined floor area of all accessory buildings on a lot shall not exceed the area of the principal building.
- (e) A private garage or carport, in addition to the other provision of this bylaw shall comply with the following:
 - (i) Where the vehicle entrance to the garage or carport faces a lane, the building setback shall be either 6.0 m (19.7 ft) or 1.0 m (3.3 ft) from the lane, except those cases where an easement has been placed along the rear property line, in which event the building setback shall be either no less than 6.0 m (19.7 ft) or the width of the easement plus 0.5 m (1.6 ft) from the lane.

- (ii) Where the vehicle entrance to the garage or carport faces the boundary of the site which is not a common boundary with a street, the building shall be not less than 6.0 m (19.7 ft) from the side boundary which its entrance faces. If there is an easement, the building setback at its closest point shall be the width of the easement plus 6.0 m (19.7 ft) from the boundary.
- (iii) Where the vehicle entrance to the garage or carport faces the side boundary of the parcel which is a common boundary with the street, the building shall not be less than 6.0 m (19.7 ft) from that side property line. The building shall not project on or over an easement or right-of-way.

5.2 Building Orientation and Design

- (1) The design, character and appearance of any building, or series of buildings, structure or sign proposed or erected or located in any District must be acceptable to the Development Authority having due regard to
 - (a) amenities such as daylight, sunlight and privacy;
 - (b) the character of existing development in the District;

- (c) its effect on adjacent parcels; and
 - (d) all architectural controls in place for the area being developed.
- (2) No building in any District may be metal clad unless the type of metal cladding has been approved by the Development Authority.

5.3 Number of Buildings on a Parcel

- (1) A development permit shall not be issued for more than one principle building on a parcel except where it is proposed to develop more than one principle building to form a single, unified group of buildings.
- (2) The number of dwelling units permitted on a parcel shall be limited to one, except where
- (a) in the opinion of the Development Authority, either
 - (i) the building is clearly designed to be divided into more than one dwelling, or
 - (ii) the development of the parcel is clearly designed to include more than one dwelling; and
 - (b) the use conforms to the uses prescribed in PART 7 for the District in which the parcel is located; and
 - (c) subject to Section 2.6 of PART 2, the development complies with the provisions of this Bylaw; and
 - (d) a development permit is issued for the use.
- (3) Not more than one principle building shall be erected and not more than one principle use shall be conducted on a site in a non-residential district except in the case of a group of commercial, industrial or institutional buildings and/or uses which have been approved by the Development Authority and which are in conformance with this Bylaw.

5.4 Relocation of Buildings

- (1) No person shall
- (a) place on a parcel a building which has previously been erected or placed on a different parcel, or

- (b) alter the location of a building on a parcel which has already been constructed on that parcel,

unless a development permit has been issued by the Development Authority.

- (2) In addition to the requirements of Section 2.3 of PART 2, the Development Authority may require that an application for a development permit be accompanied with
 - (a) recent colour photographs showing all sides of the building;
 - (b) a statement on the age, size and structural condition of the building; and
 - (c) a statement of the proposed improvements to the building.
- (3) An application for a development permit may be approved by the Development Authority if the proposal meets all of the regulations specified under the appropriate Land Use District in which it is proposed to be located.
- (4) Where a development permit has been granted for the relocation of a building either on the same parcel or from another parcel, the Development Authority may require the applicant to provide a performance bond of such amount to ensure completion of any renovations set out as a condition of approval of a permit.
- (5) All structure and exterior renovations shall be completed within one year of the issuance of a development permit.

5.5 Building Demolition

- (1) Satisfactory to the Development Authority, an application to demolish a building shall not be approved without a statement or plan which indicates
 - (a) how the operation will be carried out so as to create a minimum of dust or other nuisance, and
 - (b) the final reclamation of the parcel.

5.6 Non-Conforming Buildings and Uses

- (1) A non-conforming use of land or a building may be continued but if that use is discontinued for a period of six (6) consecutive months or more, any future use of the land or building must conform with the Land Use Bylaw then in effect.

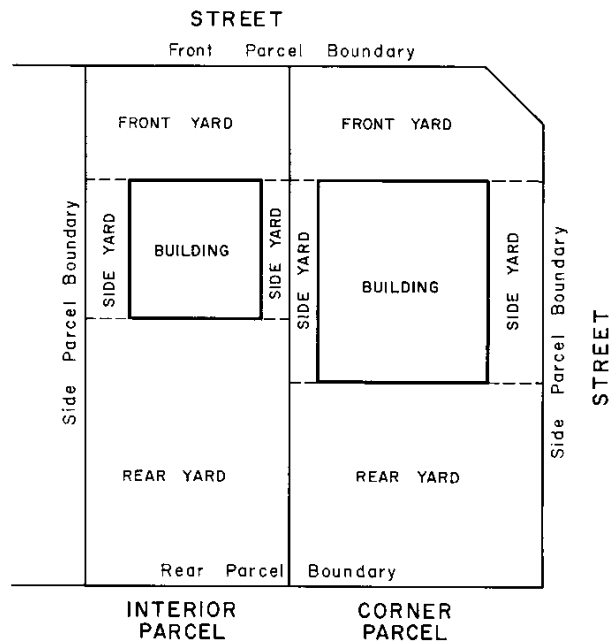

- (2) A non-conforming use of part of a building may be extended throughout the building but the building, whether or not it is a non-conforming building, may not be enlarged or added to and no structural alterations may be made to it or in it.
- (3) A non-conforming use of part of a parcel may not be extended or transferred in whole or in part to any other part of the parcel and no additional buildings may be constructed on the parcel while the non-conforming use continues.
- (4) A non-conforming building may continue to be used but the building may not be enlarged, added to, rebuilt or structurally altered except
 - (a) to make it a conforming building;
 - (b) for routine maintenance of the building, if the Development Authority considers it necessary; or
 - (c) in accordance with the provisions of section 2.6 of PART 2.
- (5) If a non-conforming building is damaged or destroyed to the extent of more than 75% of the value of the building above its foundation, the building may not be repaired or rebuilt except in accordance with this Land Use Bylaw.
- (6) The land use or the use of a building is not affected by a change of ownership or tenancy of the land or building.

YARDS

5.7 Yard Definitions

- (1) The following illustrates the yard locations for parcels within the Village.

LAND USE BYLAW – PART FIVE

Projections Into Yards

- (1) Projections on foundation walls and footings, or on piles are deemed to be part of the building, and shall not be considered as a projection over a yard.
- (2) Wheelchair ramps may project without limits into a front, side or rear yard setback.
- (3) No portion of a building other than eaves, signs, or canopies shall project into a public or private right-of-way.
- (4) In Residential Districts, the following portions of or attachments to a principle or accessory building, including eaves, bay or bow windows, unenclosed decks and steps, and balconies, which extend or project into the minimum required yard shall be allowed:
 - (a) Projections into Side Yards
 - (i) Any projections, if they do not extend or project more than a distance equal to $\frac{1}{2}$ the minimum side yard required for the building.
 - (ii) In laneless subdivisions, where the side yard provides or is required to provide access to a detached garage or carport the projection shall not impede the use of vehicles or the minimum 3.0 m (9.8 ft) side yard.
 - (b) Projections into Front and Rear Yards

- (i) Any projections, if they do not extend or project more than 1.5 m (4.9 ft) into the minimum front yard.
 - (ii) Any projections, if they do not extend or project more than 3.0 m (9.8 ft) into a minimum rear yard.
- (5) In all other Districts, the following portions of or attachments to a principle or accessory building which extend or project into the minimum required yard shall be allowed:
 - (a) any projection not exceeding 1.5 m (4.9 ft) into a front or rear yard; and
 - (b) any projection not exceeding 1.5 m (4.9 ft) into a side yard.

5.8 Objects Prohibited or Restricted in Yards

- (1) No person shall allow a motor vehicle which is in a dilapidated or unsightly condition, a derelict vehicle or a motor vehicle which has all or part of its superstructure removed, to remain or be parked on a parcel in a Residential District, unless it is suitably housed or screened to the satisfaction of the Development Authority.
- (2) Recreational vehicles, motor homes, campers, or boats may be stored in any yard abutting a street in a Residential District, but they must be parked no closer to the property line than 1.5 m (4.92 ft) and they must be parked in the drive-way. Alternatively, they can be stored in the rear yard or on the side yard equal to or not going passed the front of the house.
- (3) Recreational vehicles parked in a Residential District may be used for living and sleeping accommodation only by bona fide tourists for a period no longer than one (1) week, up to a maximum of thirty (30) days per annum.
- (4) No person shall allow a vehicle of more than 2,730 kg (6,018.6 lbs) (Gross Vehicle Weight) and/or a length of 6.5 m (21.3 ft) to be parked or stored in a Residential District, except those vehicles described in subsection (2).
- (5) All types of outdoor boilers and propane tanks over 100 gallons are prohibited.

5.9 Zero Side Yard Developments

- (1) In a Central Commercial District (C1), the minimum side yard is zero (0) meters in accordance with PART 7.

- (2) In other Districts, other than Residential Districts, the Development Authority may allow one side yard of the main or accessory building to be zero (0) meters where
 - (a) the registered owner(s) of the adjoining parcel or parcels grant(s) a maintenance and eave and footing encroachment easement equivalent to two minimum yard requirements. The easements shall be to the satisfaction of the Development Authority and shall be registered against the title of the said parcel; and
 - (b) all roof drainage from any building shall be directed onto the parcel upon which such building is situated by means of eaves troughs and downspouts or other suitable means.

5.10 Laneless Subdivisions

- (1) In a laneless subdivision in a Residential District:
 - (a) detached dwellings with an attached garage shall have one (1) side yard of at least 1.5 m (4.9 ft);
 - (b) detached dwellings without an attached garage shall have one (1) side yard of at least 3.0 m (9.8 ft);
 - (c) duplexes with attached garages shall provide side yards of at least 1.5 m (4.9 ft); or
 - (d) duplexes without attached garages shall provide side yards of at least 3.0 m (9.8 ft).
- (2) In a laneless subdivision in a Commercial or Industrial District one side yard shall be not less than 6.0 m (19.7 ft). This does not apply to an accessory building where such building is located to the rear of the main building and separated therefrom by a minimum distance of 12.0 m (39.4 ft).

5.11 Setbacks on Future Major Roads

- (1) Where a parcel abuts a street for which a setback is established, the minimum yard requirement may be increased by an amount deemed acceptable to the Development Authority.

VEHICLES

5.12 Parking

- (1) The following minimum number of parking spaces shall be provided and maintained upon the use of a parcel or a building in any District as described in PART 7 of this Land Use Bylaw. Any calculation of the number of parking spaces which produces a requirement for part of a space shall be rounded up to the next highest integer.

- (6) Each parking space shall have dimensions of not less than 2.75 m (9.0 ft) by 5.5 m (18.0 ft).

LAND USE BYLAW – PART FIVE

- (7) The dimensions of parking areas shall be as set out in the following diagram and table.

PARKING ANGLE	STALL WIDTH	STALL DEPTH	OVERALL DEPTH	MANEUVERING SPACE	CURB LENGTH	ROW END LENGTH
A	B	C	D	E	F	G
0°	2.75 m (9.02 ft)	2.75 m (9.02 ft)	9.00 m (29.53 ft)	3.50 m (11.48 ft)	6.70 m (21.98 ft)	0.0 m
30°	2.75 m (9.02 ft)	5.00 m. (16.4 ft)	13.50 m (44.29 ft)	3.50 m (11.48 ft)	5.45 m (17.89 ft)	0.85 m (2.79 ft)
45°	2.75 m (9.02 ft)	5.70 m (18.07 ft)	15.40 m (50.52 ft)	4.00 m (13.12 ft)	3.85 m (12.63 ft)	2.05 m (6.72 ft)
60°	2.75 m (9.02 ft.)	6.00 m (19.69 ft.)	17.50 m (57.41 ft.)	5.50 m (18.04 ft)	3.20 m (10.49 ft)	2.00 m (6.56 ft)
90°	2.75 m (9.02 ft)	5.50 m (18.04 ft)	18.00 m (59.06 ft)	7.00 m (22.97 ft.)	2.75 m (9.02 ft.)	0.0 m

- (8) A minimum standard of 24.75 m² (266.4 sq ft) per parking space shall be used for general calculations for the areas of parking facilities or the number of parking spaces in a parking facility.
- (9) In Commercial Districts, in lieu of providing parking spaces and subject to the approval of the Council, a payment may be made to the Village at a rate per space which the Council shall determine.
- (10) Parking spaces shall be located on the same parcel as the use for which they are being provided except that, subject to the approval of the Development Authority, the spaces may be located on another parcel within 50.0 m (164.0 ft) walking distance, provided that a restrictive covenant, ensuring the use of the parcel for the required number of parking spaces, is registered against the Certificate of Title of that parcel.

- (11) Hard surfacing of all driveways, parking pads, and parking areas used for vehicular storage shall be required, where any driveways, parking pads, or parking areas used for vehicular storage enters a paved road, otherwise, the surfacing shall be all-weather.

5.13 Barrier Free Parking

- (1) Barrier-free parking spaces for persons with physical disabilities must be provided
- (a) in accordance with the Alberta Building Code and the guidelines shown in the Table below; and
 - (b) the current Barrier-Free Design Guide prepared by the Safety Codes Council and the requirements stated in subsections (2) to (4) below.

No. of Parking Stalls Required	No. of Designated Barrier-free Stalls
1-25	1
26-50	2
51-100	3
For each additional increment of 100 or part thereof	One additional stall

- (2) All barrier free spaces shall:
- (a) have a minimum width of 3.7 m (12.1 ft), but where possible it is recommended that a single stall be 4.0 m (13.1 ft) wide to better accommodate a wheelchair transfer on a roadway or in a parking lot, and length of 7.0 m (23.0 ft);
 - (b) be clearly marked as being for the use of persons with disabilities through the use of appropriate signage, identifiable in all seasons;
 - (c) be level-surfaced and located close to an entrance; and
 - (d) be included as part of, and not in addition to, the applicable minimum parking requirements as outlined in subsection 5.13(1).

- (3) A barrier-free path consistent with the principles of universal design must be provided and maintained between the main entrance to a building and a barrier-free parking space. New development or redevelopment must provide the barrier-free path with a minimum width of 1.1 m (3.6 ft) and ramps must comply with the Barrier-Free Design Guide.
- (4) A pedestrian walkway consistent with the principles of universal design is required to connect the main entrance of a development or building to a public sidewalk or a trail if the building or development requires a barrier-free parking space. The Development Authority may require that a pedestrian connection be provided between the entrance to a building and a public sidewalk or trail if the development does not require a barrier-free parking space.

5.14 Loading Spaces

- (1) Loading spaces shall be required for all non-residential development and apartments.
- (2) Loading spaces shall be designed and located so that all vehicles using those spaces can be parked and maneuvered entirely within the bounds of the parcel before moving onto a road.
- (3) Loading spaces shall be located in rear and side yards only.
- (4) A loading space shall be at least 3.5 m x 8.0 m (11.5 ft x 26.3 ft) with an overhead clearance of at least 4.6 m (15.1 ft).
- (5) Hard surfacing of the loading space shall be required where a loading space enters a paved road, otherwise, the surfacing shall be all-weather.

5.15 Vehicle Access to Buildings

- (1) Any building into which a vehicle may enter shall have a driveway on the parcel at least 6.0 m (19.7 ft) in length, except where the driveway enters a lane, where it shall be either 1.0 m (3.3 ft) or at least 6.0 m (19.7 ft).

5.16 Sight Lines at Intersections of Roads

- (1) At the intersection of lanes, a 3.0 m (9.8 ft) sight triangle shall be provided (see diagram below).

- (2) At the intersection of other roads, the Development Authority may require the calculation of sight triangles where:
- (a) one or more rights-of-way is less than 15.0 m (49.2 ft); or
 - (b) regulated vehicle speed exceeds 50 km/h; or
 - (c) one of the carriageways is not centred in its right-of-way; or
 - (d) an intersection leg is curved or skewed; or
 - (e) an intersection leg is sloped at 2% or greater.
- (3) Sight triangle calculations shall be in accordance with the recommended methods of the Roads and Transportation Association of Canada regarding crossing sight distances for roads.

5.17 Sight Triangles at Road and Rail Intersections

- (1) At the intersections of roads and railways which are unprotected by automatic warning signals, sight triangles shall be determined using the diagram and table below.

LAND USE BYLAW – PART FIVE

Maximum Train Speed		Sight Distance A From Crossing		Maximum Vehicle Speed		Sight Distance B From Crossing

* distances based on level approach grade and good traction

** panic stop distances

- (2) At the intersections of roads and railways, which are protected by automatic warning signals, the Development Authority may require the calculation of sight triangles where:
- (a) One (1) or more of the rights-of-way is less than 15.0 m (49.2 ft); or
 - (b) regulated vehicle speed exceeds 50 km/h; or
 - (c) either the carriage way or the railway is not centred in its right-of-way; or
 - (d) an intersection leg is curved or skewed; or
 - (e) an intersection leg is sloped at 2% or greater.

- (3) Sight triangle calculations shall be in accordance with the recommended methods of the Roads and Transportation Association of Canada regarding crossing sight distances for roadways, with the provision that distance between the nearest rail and the front of the stopped motor vehicle be between 5.0 m (16.4 ft) and 15.0 m (49.2 ft) as required by the *Highway Traffic Act*.

5.18 Driveways

- (1) At street intersections, driveways shall be set back from the parcel boundaries which form the intersection not less than
- (a) 6.0 m (19.7 ft) where the driveways serves not more than four dwelling units; or
 - (b) 15.0 m (49.2 ft) for all other uses;

except where existing or planned traffic volumes indicate that a greater distance is required to improve or maintain traffic safety and efficiency.

- (2) The maximum width of a driveway shall be 10.0 m (32.3 ft).

- (3) The minimum distance between driveways shall be:

- (a) nil, where the driveways provide access to single dwelling units; or
- (b) 6.0 m (19.7 ft) where the driveways provide access to any other use;

except where existing or planned traffic volumes indicate that a greater distance is required to improve or maintain traffic safety and efficiency.

- (4) The minimum angle for a driveway to a use that generates high traffic volumes shall be 70°.

- (5) Hard surfacing (i.e. concrete, asphalt or other similar material suitable to the Development Authority) of a driveway shall be required in all districts if access is gained directly from or to a hard surface public road.

- (6) “**Length of a driveway**” shall be measured from the property line to the closest point of the building.

5.19 Drive-Thru Businesses

- (1) Drive-thru businesses, including gas bars and carwashes, shall be located only where the Development Authority is satisfied that the development and resulting vehicle circulation patterns will not adversely affect the functioning of public roadways, internal roadways or internal vehicle circulation routes.
- (2) Queuing space will be provided on the same site as the development as follows:
 - (a) A minimum of five (5) inbound queuing spaces must be provided for vehicles approaching the service window or automated machine. One (1) outbound queuing space must be provided on the exit side of the service window or automated machine.
 - (b) Each queuing space shall be a minimum of 5.5 m (18.0 ft) long and 3.05 m (10.0 ft) wide.
 - (c) Queuing lanes must provide sufficient space for turning and manoeuvring.

LANDSCAPING

5.20 Mechanized Excavation, Stripping, and Grading of Land

- (1) A temporary fence shall be erected around all excavations which in the opinion or the Development Authority may be hazardous to the public.
- (2) Where finished ground elevations are established, all grading shall comply therewith.
- (3) All parcels shall be graded to ensure that storm water is directed to a road without crossing adjacent land, except as permitted by the Development Authority.
- (4) All topsoil shall be retained on the parcel, except where it must be removed for building purposes.

5.21 Landscaping, Environmental Conservation, and Development

- (1) Unless otherwise specified in PART 7, the following standard of landscaping shall be required for all areas of a parcel not covered by buildings, driveways, storage and display areas:
 - (a) the conservation of existing trees and shrubs to the maximum extent possible;

- (b) the retention, in their natural state, of
 - (i) swamps, gullies and natural drainage courses;
 - (ii) unstable land;
 - (iii) land subject to flooding by a 1:100 year flood;
 - (iv) land with a natural gradient of 15% or greater; and
 - (v) a strip of land not less than 6.0 m (19.7 ft) in width along any river, stream, creek or lake with such distance to be measured from the top of the bank;
 - (c) the appropriate screening of outside storage areas, parking facilities and loading areas from adjacent buildings and roads;
 - (d) the planting of additional trees and shrubs as required by the Development Authority;
 - (e) a sufficient depth of topsoil to facilitate growth in the soft-landscape areas, with areas not planted to trees and shrubs being seeded to grass, sodded or left with its natural grass cover; and
 - (f) completion of the landscaping by the end of the first full growing season following completion of construction or the commencement of the use.
- (2) The owner of a property, or his/her successor or assignees, shall be responsible for landscaping and proper maintenance.

5.22 Surface and Sub-Surface Drainage

- (1) The storm water run-off and sub-surface drainage of all development must not cause any flows onto an adjacent property and shall otherwise also be in a manner acceptable to the Development Authority.
- (2) All roof drainage from a building shall be directed onto the parcel upon which the building is situated by means satisfactory to the Development Authority.
- (3) Any landscaping and/or re-contouring shall be done so that the finished grade does not direct surface drainage or cause the impounding of drainage onto an adjoining site unless otherwise approved by the Development Authority.

5.23 Fences and Screening

- (1) The maximum height of a fence, measured from the average grade, shall be:
 - (a) 1.8 m (6.0 ft) in the rear and side yards; and

- (b) 1.2 m (4.0 ft) in the front yard.
- (2) Notwithstanding subsection (1), a higher fence may be approved for public safety, security, privacy, or buffering purposes at the discretion of the Development Authority.

5.24 Lighting

- (1) On-site exterior lighting shall not spill over into or create excessive glare or light pollution for adjacent residential areas.

5.25 Garbage Storage

- (1) Garbage shall be stored in garbage containers constructed and located to the satisfaction of the Development Authority.
- (2) A commercial garbage bin shall be provided as part of the development of commercial and institutional uses, and dwelling units that are part of a commercial building. The bin shall be placed in a screened enclosure in the side or rear yard at a location accessible to garbage collectors.
- (3) Bins for recycling and oil collection will be located and screened similar to garbage bins.

5.26 Yards Abutting a Residential District

- (1) Where a Commercial or Industrial use abuts a Residential District or a lane which abuts a Residential District,
 - (a) the required side or rear yard setbacks that abut a residential district shall be landscaped;
 - (b) no open storage shall be permitted in the abutting yard(s);
 - (c) outdoor display areas shall be screened from residential districts;
 - (d) no parking space shall be allowed in such yard(s) within 6.0 m (20.0 ft) of a lot line; and
 - (e) no outdoor eating or drinking area shall be located within 15.2 m (50.0 ft) of an adjacent residential property.

- (2) The Development Authority may require the applicant for a development permit for a proposed Commercial or Industrial use that is in close proximity (as determined by the Development Authority) to one or more Residential Districts to take measures, determined by the Development Authority, to ensure that noise, visual and other confirmed or potential impacts will be addressed so that the proposed use will not negatively affect the said Residential District(s). These measures may include vegetation planting, berming, fencing or masonry walls, street furniture, building orientation or a combination of any or all of these or any additional measures that are appropriate in the discretion of the Development Authority.

5.27 Outdoor Display Areas

- (1) Where permitted, all outdoor display areas shall be appropriately designed and landscaped to compliment the character of the development and surrounding parcels, to the satisfaction of the Development Authority.
- (2) All merchandise being displayed shall be maintained in good condition and shall be kept in a neat and orderly manner.
- (3) Outdoor display areas shall be maintained as such and shall not be used for the purpose of outdoor storage.

5.28 Outdoor Storage

- (1) No outdoor storage shall be permitted within the front yard of any non-residential district.
- (2) All outdoor storage of goods, products, materials or equipment shall be kept in a neat and orderly condition at all times and shall be screened from adjacent sites and thoroughfares, consistent with the fencing and screening provisions of this Bylaw, to the satisfaction of the Development Authority.

SPECIFIC USE REGULATIONS

5.29 Home Occupations

- (1) A home occupation will require a development permit. A permit may be revoked at any time if, in the opinion of the Development Authority, the home occupation has become detrimental to the residential nature and amenity of the neighbourhood or otherwise does not meet the criteria or intent of a home occupation.
- (2) Home occupations shall comply with the following:

- (a) a home occupation shall not include any use or operation which detracts from the amenities of a residential neighbourhood by way of creating a dangerous or objectionable conditions, and does not cause excessive vehicular or pedestrian traffic or otherwise interfere with or detract from the peace and quiet of a residential neighbourhood;
 - (b) a home occupation shall be incidental and subordinate to the residential use;
 - (c) there shall be no outdoor display or advertising other than signage placed in accordance with the applicable standards contained within PART 6;
 - (d) there shall be no outside storage of materials, commodities, or finished products;
 - (e) no commodity other than the project or service of the home occupations shall be sold on the premises;
 - (f) not more than one (1) business vehicle used in conjunction with the home occupation may be parked on the site or any street adjacent thereto;
 - (g) off-street parking be in accordance with the parking standards contained within Section 5.13; and
 - (h) a home occupation shall be confined to a maximum of 30.0 m² (323.0 sq ft) or 20% of the net floor area of a dwelling unit, whichever is less.
- (3) A home occupation license does not exempt the applicant from compliance with any federal or provincial regulation, or any municipal bylaw or regulation.

5.30 Dangerous Goods

- (1) Prior to making any decision on a development application which involves dangerous goods or development on adjacent land or in close proximity to any dangerous goods, the Development Authority shall refer the development proposal to the appropriate regulatory authority for comments.

5.31 Development in Proximity to Oil and Gas Wells

- (1) In accordance with the *Subdivision and Development Regulation*, no building shall be constructed within 100 m (328 ft) of the well head of a gas or oil well, unless, in the opinion of the Development Authority, it may be considered an infill development or is otherwise approved in writing by the Alberta Energy Regulator.

5.32 Development Setbacks from Landfills and Waste Sites

- (1) In accordance with the Subdivision and Development Regulation,
 - (a) a school, hospital, food establishment or residence must not be approved and a residence must not be constructed if the building site is within the distances from a sanitary landfill, modified sanitary landfill, hazardous waste management facility, dry waste site, waste processing site, waste storage site, waste sorting station or waste transfer station specified in the *Subdivision and Development Regulation*, and
 - (b) a sanitary landfill, modified sanitary landfill, dry waste site, hazardous waste management facility, waste processing site, waste storage site, waste sorting station or waste transfer station must not be approved within the distances from the property boundary of a school, hospital, food establishment or residence specified in the *Subdivision and Development Regulation*,

unless the development is approved in writing by the Deputy Minister of Environment and Sustainable Resource Development.

5.33 Land Use Development Setback from Wastewater Treatment Plants

- (1) In accordance with the Subdivision and Development Regulation,
 - (a) a school, hospital, food establishment, or residential building must not be approved and a residential building must not be constructed within 300 m (984 ft) of the working area of an operating wastewater treatment plant, and
 - (b) a wastewater treatment plant must not be approved unless the working area of the plant is at least 300 m (984 ft) from any existing or proposed school, hospital, food establishment or residential building,

unless the development is approved in writing by the Deputy Minister of Environment and Sustainable Resource Development.

5.34 Modular Home Design

- (1) The external appearance of modular homes must be acceptable to the Development Authority having regard to compatibility with other buildings in the vicinity and shall have:
 - (a) a minimum roof pitch of 4:12;
 - (b) a roof surface of wood or asphalt shingles, clay or concrete tiles, slates or wood shakes;

- (c) a minimum roof overhang or eaves of 0.4 m (16 inches) from each external wall;
- (d) a maximum length to width ratio of 2.5:1;
- (e) a minimum width of 6.7 m (22 ft); and
- (f) a permanent foundation.

5.35 Alternative Energy Collecting and Storing Devices

- (1) Solar and wind energy devices shall be considered an accessory use.
- (2) Solar energy devices attached to a principal or accessory building shall:
 - (a) be mounted to the roof or wall structure of a building and shall be integrated to the greatest extent that is reasonable;
 - (b) mounted panels shall not project vertically more than 1.0 m (3.3 ft) above the roof line in residential districts and not more than 1.8 m (6.0 ft) above the roof line in all other districts; and
 - (c) not project beyond the outermost edge of the roof or wall to which it is mounted.
- (3) Solar energy devices not attached to a building shall:
 - (a) be located in a side or rear yard only;
 - (b) not exceed 2.5 m (8.2 ft) in height above the ground; and
 - (c) be screened from adjacent properties with a fence or landscaping, to the satisfaction of the Development Authority.
- (4) Wind energy devices shall comply with the following:
 - (a) be located in a side or rear yard only;
 - (b) be sized appropriately and not exceed the maximum height for the District in which they are located;
 - (c) the base of a freestanding wind energy device shall be set back from the property line a minimum distance equal to the height of the wind turbine tower; and
 - (d) comply with any other municipal, provincial or federal, or other jurisdictional requirements.

5.36 Secondary Suites

- (1) A maximum of one (1) secondary suite may be allowed per detached dwelling.
- (2) A secondary suite,
 - (a) must have a separate entrance from the principal dwelling, either from a common indoor landing or directly from the exterior of the building;
 - (b) shall have a maximum floor area of 40% of the gross floor area of the principal dwelling, not exceeding 75 m² (807 sq ft);
 - (c) shall have a maximum of 2 bedrooms; and
 - (d) be completely self-contained.
- (3) One (1) off-street parking stall shall be provided for the secondary suite, in addition to the required number of parking stalls for the principal building.
- (4) A secondary suite shall be constructed in such a manner so as to maintain the appearance of the building as a detached dwelling, to the satisfaction of the Development Authority.

5.37 Bed and Breakfasts

- (1) The residential nature of the dwelling and the neighbourhood shall be preserved as much as is reasonably possible.
- (2) A dwelling that is being used for a bed and breakfast establishment shall not also contain a secondary suite.
- (3) The maximum number of guests allowed in a bed and breakfast shall be determined by the parcel's ability to meet:
 - (a) the off-street parking requirements contained within Section 5.13,
 - (b) the parcel coverage standard for the applicable land use district, and
 - (c) the requirements of the Alberta Building Code.
- (4) There shall be no exterior display or advertising other than signage placed in accordance with the applicable standards contained within PART 6.

5.38 Land Use Policies

- (1) Every action undertaken by the municipality and the Development Authority must be consistent with any land use policies established pursuant to the *Municipal Government Act*.

5.39 Impact of Incompatible Uses on Residential Districts

- (1) The Development Authority may require the applicant for a development permit for a proposed Commercial or Industrial use that is in close proximity (as determined by the development authority) to one or more Residential Districts to submit an impact statement as part of the development permit application, indicating the measure to be taken to ensure that noise, visual and other confirmed or potential impacts will be addressed so that the proposed use will not negatively affect the said Residential District(s).

5.40 Guidelines for Other Land Uses

- (1) All uses which are not covered by specific regulations in a land use District shall, in accordance with the following guidelines be:
 - (a) separated from adjacent uses by such a distance as to ensure that there will be no adverse impact upon or by those adjacent uses;
 - (b) at a density which is consistent with that prevailing in the area, unless otherwise provided for in a statutory plan;
 - (c) set-back from any parcel boundary abutting a road a sufficient distance to ensure that the development will not be visually intrusive, having regard to any possible changes in surrounding uses;
 - (d) of a height which will be consistent with that prevailing in the area;
 - (e) developed in such a manner that there will be no adverse impact upon or by traffic on adjacent roads; and
 - (f) developed in conformance with any applicable statutory plan policies.

5.42 Cannabis Retail Sales

5.42.1 Is a use

- a) Where cannabis is sold for consumption off premises;

- b) Where consumption of cannabis must not occur;
- c) That may include the ancillary retail sale or rental of merchandise;
- d) Where all cannabis that is offered for sale or sold must be from a federally approved and licensed facility; and
- e) That has been licensed by the Provincial Government;

5.42.2 Unless otherwise approved by the Development Authority, cannabis retail sales shall not be located within a radial distance of **150 meters**, when measured from the closest point of an exterior wall of the building in which the proposed Cannabis Retail Sales use is located, to the closest point of a parcel that contains a:

- a) School;
- b) School reserve;
- c) Provincial Health Care Facility;

5.42.3 Unless otherwise approved by the Development Authority, a Cannabis Retail Sales shall not be located within a radial distance of **150 meters** from another Cannabis Retail Sales. For the purpose of this subsection only:

- a) The 150 meter radial separation distance shall be measured from the closest point of the exterior wall of the building in which the proposed Cannabis Retail Sales is located, to the closest point of the other Cannabis Retail Sales.

5.42.4 Unless otherwise approved by the Development Authority, Cannabis Retail Sales shall not be located within a radial distance of **150 meters** from a public playground. For the purposes of this subsection only:

- a) The 150 meter radial separation distance shall be measured from the edges of the playground structures to the closest point of the exterior wall of the building in which the proposed Cannabis Retail Sales use is located.
- b) The term “public playground” is limited to playgrounds that are located on municipal parks, and may include playground equipment/structures, skateboard parks, spray parks and outdoor fitness equipment installations.

5.42.5 The use shall not emit nuisances including, but not limited to, odour, noise and light that may have a negative impact to adjacent sites surrounding the area;

- 5.42.6 No outdoor storage or outdoor display shall be allowed on site;
- 5.42.7 It is prohibited to have cannabis products, accessories or any other cannabis related item or material visible from the exterior of the premises.
- 5.42.8 A Cannabis Retail Sales shall comply with all Federal, Provincial and Municipal regulations.
- 5.42.9 A valid development permit and business license issued by the Village are required to operate a retail cannabis store.
- 5.42.10 An application for a development permit for Cannabis Retail Sales will require proof of submission of an application for the AGLC for a Cannabis Retail Store License.
- 5.42.11 The hours of operation of a Cannabis Retail Sales outlet be set at 11:00 AM to 9:00 PM.

5.43 Campground

(1) Public Recreation District

- a. A comprehensive site plan of the campground shall be provided to the satisfaction of the Development Authority that shows the location, design standards and site requirements of any common accessory uses and services such as washrooms, laundromat, eating establishments, drinking establishments, fire pits, fire wood storage, lighting, water supply, sewage disposal facilities, solid waste collection facilities and any other similar uses or services that may be associated with or required within a campground;
- b. The following regulations apply to all campground developments unless noted otherwise:
 - i. Minimum camping / recreational vehicle stall size shall be:
 - i. 8.5m (27.89 ft.) in width;
 - ii. 18.0 (60 ft.) in depth;
 - iii. 153m² in area (1646.88 ft²);

- c. Trees and natural vegetative cover shall not be removed without municipal permission;
- d. Any campground boundary that adjoins a residential area(s) shall be screened by a solid fence or year-round vegetation with a minimum height of 2 m and 3.0m (9.84ft) in width to the satisfaction of the Development Officer;
- e. Each stall or campsite shall be accessible by means of an internal road that is at least 3.0 m in width where the access is for one-way traffic (i.e. internal one way loop), or at least 6.0 m in width where the access is for two-way traffic;
- f. The internal road network shall be properly signed for users and for emergency response vehicles and shall be sensitive to the topography and environmental characteristics of the site;
- g. A suitable ingress and egress shall be provided so that every campground may be readily serviced in emergency situations; 24-hour emergency communications service (e.g. telephones) shall be provided;
- h. Fires will be permitted only in designated fire pits or other such facilities;
- i. Fire pits must be:
 - i. 4 m (13ft) from all trees, shrubs, overarching branches, and combustible structures;
 - ii. 3m (10ft) from buildings or property lines;
 - iii. Less than 1m (3ft) wide;
 - iv. Have enclosed sides from bricks, concrete or heavy-gauge metal;
 - v. Have a mesh screen on top to stop sparks with openings smaller than 1.25cm (1/2inch)
- j. There shall be no less than one toilet and lavatory to be provided for each sex for every ten campsites;
- k. Garbage storage and collection must be accessible by garbage collection vehicles;
- l. Where utility services are provided, all utility wires and conduits shall be installed to the satisfaction of the Development Authority and the franchise utility companies;
- m. Potable water may be provided as follows;
 - i. If a potable water supply system is provided for each campsite, it should be designed to accommodate the campground user occupying a self-contained recreational vehicle and should be connected to a community water supply system. The water system for a campground shall be constructed to the satisfaction of the Development Officer in accordance with all applicable Provincial and Municipal regulations;

- n. Onsite sewage disposal/ sanitary dumping stations may be provided as follows:
 - i. An adequate and safe sewage disposal system may be provided in a campground intended for each campsite designed to accommodate the campground user occupying a self-contained vehicle and should be connected to a community sewage system and/or sanitary dumping station, to the satisfaction of the Development Officer. The sewage disposal system in a campground must be constructed to the satisfaction of the Development Officer and shall comply with all applicable Provincial and County regulations, and shall be maintained to the standards of the regulatory approvals;
 - ii. A campground may provide sanitary dumping stations in the ratio of one for every one hundred (100) recreational vehicle spaces or fractional part thereof. The sanitary dumping stations shall be designed and maintained in accordance with Provincial regulations and standards to the satisfaction of the Municipal Engineer and the Development Officer. Each station shall provide a water outlet, with the necessary appurtenances connected to the water supply system to permit periodic wash down of the immediate adjacent areas. A sign should be posted near the water outlet indicating that this water is for flushing and cleaning purposes only. Sanitary stations must be separated from any campsite by a distance of not less than 20 m;
- o. The storage, collection and disposal of solid waste in a campground shall be conducted as to not create health hazards, rodent harbourage, insect breeding areas, or accident or fire hazards. Individual or grouped refuse containers must be screened to the satisfaction of a Development Officer;
- p. Recreational vehicles may be stored within a campground during off-season provided that all utilities are turned off. No individual may occupy a recreational vehicle while stored during a campground's off season;
- q. No structures shall be attached/erected to recreational vehicles within individual campsites such as decks, sheds, or other like additions as recreational vehicles are intended to be temporary in use.
- r. Golf courses and campgrounds may have active seasons between March 1st and October 31st of any calendar year.

PART 6: SIGN REGULATIONS

6.1 General Purpose

- (1) The purpose of this section is to encourage effective use of permanent, portable, and temporary signs within the Village of Delburne as a flexible means of communication and advertising. The regulation of size, type, form, appearance and location of signs is to ensure balance between need and expression, with safety and aesthetics. To meet these objectives, this PART contains regulations that can be equitably applied to individual Districts and enforced.

6.2 Definitions

In this Land Use Bylaw,

“A-Board Sign” means a self-supporting sign which is set upon the ground, has no external supporting structure, and is specifically designed or intended to be readily moved from one location to another. This includes signs commonly known as sandwich board or sidewalk signs.

7.11(1) Development Standards

In approving a bylaw for a Direct Control District for a particular site, Council shall establish the development standards that apply.

7.11(2) Administrative Provisions

- (1) This District shall only be applied where the following conditions are met:

- (a) the development is, in the opinion of Council, considered appropriate for the site having regard for the policies and objectives of any statutory plans applicable to the site and surrounding area and its compatibility with the scale and character of the surrounding development;
 - (b) the use of any other district on the site would, in the opinion of Council, result in potential conflicts with existing or future surrounding developments, should the full development potential of such District be utilized; and
 - (c) the development is of a unique form or nature not contemplated or reasonably regulated by another District.
- (2) In addition to the information required by the Land Use Bylaw for the amendment application, the application shall also provide the following:
- (a) support rationale explaining why the proposed District is desirable for the site having regard for the conditions listed in subsection (1) above;
 - (b) a list of uses proposed for the site;
 - (c) an explanation of the methods used to obtain public input and written documentation of the opinions and concerns of surrounding property owners and residents and how the proposed development responds to those concerns;
 - (d) plans and elevations that would help substantiate the need for the District and establish the development standards that would apply to the sites; and
 - (e) any other information as may be required by the Development Officer to evaluate the proposed development and its potential impacts.
- (3) In approving a bylaw for a Direct Control District for a particular site, Council may specify:
- (a) those uses to be decided upon by a Development Authority; and
 - (b) those development standards for which a variance may be granted.

7.11(3) Sites Subject to Direct Control

- (1) The allowable uses and specific regulations for a particular site subject to Direct Control were adopted by Council and therefore, for continuity are re-adopted by this Bylaw. The Direct Control sites are as follows:
