

Delburne Council Passes The Responsible Pet Ownership Bylaw

The Responsible Pet Ownership Bylaw #1166/2020 passed third and final reading on May 11, 2021. This bylaw provides licensing, regulating and confinement of both dogs and cats within the Village of Delburne. Cat owners are encouraged to be responsible pet owners just like what is expected of dog owners.

Residents will be eased into the bylaw through an information and education period. Council has made the decision that for the rest of 2021, cat owners will not be charged for licenses but they are encouraged to register with the Village and receive cat tags.

Animal Control will be responding to cat complaints however a cat trapping policy will be in place to protect the welfare of the cat. Those who wish to trap cats will be required to sign an agreement and contact Animal Control prior to trapping.

Residents can request a copy of the Responsible Pet Ownership Bylaw at the Village office or view it online at www.delburne.ca. More information will be communicated to residents in the coming weeks to become familiar with the new bylaw.

For bylaw questions, please contact the Village office: 403-749-3606 or village@delburne.ca

For animal control situations please contact Animal Control Services: 403-506-9380

Residents can still hold individual garage sales at their own leisure. Restrictions are subject to change.

For current guidelines visit the Government of Alberta's website:
