Delburne Utility E-Billing Form

The Village of Delburne is providing property owners with the opportunity to have their Delburne monthly utility bills sent by email instead of a mailed paper copy.

This service is for **property owners only**. If you rent out your property, it is your responsibility to make arrangements with your tenant regarding utility bill payments. The Village of Delburne will NOT email or mail utility bills to renters.

Please add billing@delburne.ca to your contacts so that the e-bill does not go into the spam or junk folder.

For filing purposes, please fill out one form per property if you own multiple properties.
