Delburne Utility E-Billing Update

We have been testing our utility e-billing software. If you have signed up for e-billing, to have your Delburne Utility Invoice emailed to you instead of mailed, you may receive both an electronic and paper version of your bill over the next few months until we ensure that the process is running smoothly.

We apologize for any duplicate or blank emails that you may receive during the testing process as we work out any errors.

If you have signed up and didn't receive an e-bill in June for May's services, please do the following:

- Check your email spam/junk folder
- Add billing@delburne.ca to your safe contacts list
- Contact the Village office to make sure the email address on file is correct.

  Email: billing@delburne.ca or call: 403-749-3606

Just a reminder that this service is for **property owners only.** If you rent out your property, it is your responsibility to make arrangements with your tenant regarding utility bill payments. The Village of Delburne will not email or mail utility bills to renters.

If you would like to sign up for e-billing, forms can be obtained at the Village office or printed out online at https://www.delburne.ca/about-delburne/utilities

Utility bill payments can be made through online banking with ATB Financial, Scotiabank, or Servus Credit Union. Other banks charge the municipality high set up and user fees that the Village of Delburne does not want our taxpayers to have to subsidize.

We are in the process of working out the logistics for the municipality to be able to accept email money transfers for payments. At this time we do not have an eta of when this will be up and running but we will share this information as soon as possible.

If you have any questions please contact us at billing@delburne.ca or 403-749-3606.
