

### Village hosts Emergency Services Information Night

Village of Delburne Council and Emergency Services personnel gathered with residents on September 18th at the Delburne Community Hall. This night was an opportunity for citizens to address their concerns and ask questions related to policing and crime in our community. Sgt. Jamie Day, Detachment Commander for the Three Hills RCMP, discussed crime statistics and informed the public that Delburne is a safe community. Residents are encouraged to report any criminal activity directly to the RCMP. In an emergency call 9-1-1 and for a non-emergency call 403-443-5538.

Red Deer County Fire Services was on hand to give an update about Fire Station 8, which is located at 1925 22nd Ave in Delburne. Station 8 Platoon Chief Jeff Giesbrecht spoke about response times and the need for more paid-on-call firefighters for our area. He also discussed the frequent training and exercises carried out by the team so that they are prepared during an emergency.

Council would like to thank the Three Hills RCMP, Red Deer County Fire Services, and the public for attending the information night.

Looking for a new adventure?  
You too could help our community.  
Red Deer County Protective Services is actively seeking **Paid-on-Call Firefighters** in the Delburne area.

Please apply at <https://rdcounty.ca/fire>.

# Halloween Safety Tips

## Choose the right costume

- Pick brightly coloured costumes that can be seen by motorists. Add reflective tape.
- Make sure masks fit properly so that your child can see and breathe easily.
- Choose costumes that can fit well and can be worn over warm clothing.

## Stay secure while trick or treating

- Go trick or treating with your children until they are old enough to go with a friend.
- Tell your children to stay in well-lit areas and only visit homes with the lights on.
- Teach your children to be careful when crossing the street. Cross at a corner.

## Avoid danger when decorating

- To avoid injuries, let children draw on the pumpkin and have an adult carve it.
- Place candles & jack-o-lanterns away from curtains. Do not leave them unattended.
- Use a small flashlight or battery candle to light your jack-o-lantern.

## Be cautious with candy and toys

- Tell your children to not eat any treats until you have looked them over.
- Be careful of handing out treats that are potential choking hazards like hard candies.
- Throw out any candy that is damaged or unwrapped.

## Has your water consumption unexpectedly increased on your utility bill?

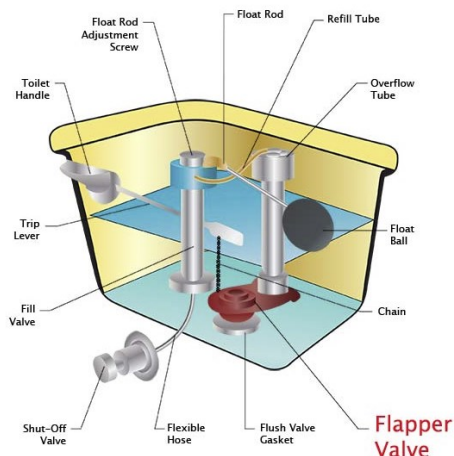

You might have a leak. Check your toilets!

The toilet flapper valve stuck in the open position is the most common cause of unforeseen high water usage.

A leaky toilet can waste up to 600+ cubic metres of water a month or 20 cubic metres a day.

Consider repairing a running toilet as soon as possible.

Help save treated water and your wallet.

## Heritage Day in Retrospect

The Anthony Henday Historical Society would like to thank the many volunteers and contributors who participated in Delburne Heritage Day 2024. Generous bake sale contributors helped raise a considerable amount of funding that will help us continue to put on events over the upcoming months. Vintage tractors, stationary engines, and an antique fire engine were operating throughout the day, thanks to the contributors who took the time to bring equipment to the museum grounds. Heritage Day featured several textile arts displays and interactive demonstrations of antique treadle sewing machines. Visitors enjoyed skilled blacksmithing and farrier work reminiscent of our local pioneering history. Breakfast and a bbq lunch were enjoyed, thanks to board members and volunteers. Fresh local produce was available, courtesy of vendors Homegrown Horticulture and Hamlet Honey. Museum members and volunteers gave demonstrations of rope making, butter churning, and grain grinding with mule power. Buggy rides, a wood sawing contest, and a tug-of-war were enjoyed by all ages.

The Anthony Henday Museum operates on the generous support of community members and organizations. If you are interested in local history, consider becoming a museum member or volunteering. Museum meetings take place on the third Thursday of every month at 7:00 pm.

## The ECSHL Season Expands and Outlaws Return

With the ice now in, the Delburne Sr Outlaws will begin preparations for their seventh season in the East Central Senior Hockey League (ECSHL). The core player group is mostly returning minus some key players not returning, so look for the Outlaws to be consistent with past seasons. With the schedule not released officially, fans can probably still look forward to the December rivalry games with the Stettler Imperials which always brings fans to both arenas. The ECSHL has also announced the addition of the Wainwright Rustlers to the league moving over from the Sask-Alta league.

The Outlaws begin skating on Wednesday evenings starting on September 18th and will lead into the season 2 evenings per week with Wednesday and an alternate evening. The team also announced that their player boundaries have been expanded to include sections of Alix MHA, Kneehill MHA, Big Valley MHA and Endmoor MHA. Any players interested in playing can contact the team through their social media / Facebook or contact GM Brian Christensen at (403) 596-8178. Anyone looking to volunteer can also reach out on social media. It looks like
