

Notice of application to be filed for approval to renew the franchise agreement between the Village of Delburne and ATCO Gas and Pipelines Ltd.

Application summary

ATCO Gas and Pipelines Ltd. will file an application with the Alberta Utilities Commission, requesting approval to renew its franchise agreement with the Village of Delburne.

The franchise agreement will continue to grant ATCO Gas and Pipelines Ltd. the right to deliver natural gas to residents of Delburne. The franchise agreement is proposed to be effective on March 1, 2027, and expire on March 1, 2047. The existing franchise agreement was previously approved by the Commission in Decision 29709-D01-2024.

The franchise agreement renewal includes a franchise fee to be collected by ATCO Gas and Pipelines Ltd. and remitted to the Village of Delburne. The proposed franchise fee is 25%, which is an increase to the existing franchise fee of 21.6%. The franchise fee percentage is applied to the distribution tariff, which typically consists of both distribution and transmission charges. Based on the average monthly residential consumption of 8.75 gigajoules (GJs) of natural gas, the average monthly franchise fee paid by an average residential customer is expected to increase from approximately \$10.71 to approximately \$11.78.
