

Honouring Our Heroes: Remembrance Day

On Wednesday, November 11, our community will pause to mark Remembrance Day. It is a solemn day to honour the courage, sacrifice, and service of Canadian Veterans and fallen heroes for all conflicts. This year carries historical significance, as the Royal Canadian Legion's Alberta-NWT Command marks 100 years of service to veterans and their families.

Every year, the Royal Canadian Legion Delburne-Ardley Branch 142 brings our community together to ensure we never forget. Neighbours, family, and veterans will gather for their traditional Remembrance Day Service at the Delburne Community Hall. We invite all community members to stand with us as we observe the two minutes of silence at 11:00 am to remember the individuals who left behind their homes and families to defend our peace and freedom.

The National Poppy Campaign runs from October 24 to November 11. Keep an eye out for poppy boxes distributed by our volunteers at local businesses. Wearing a poppy is a visual pledge to keep the memory of our veterans alive. Every donation made to the Branch #142 Poppy Fund stays within the community, providing direct support, food, shelter, and medical assistance to local veterans and their families.

Ceremonial First Poppy Presented

On Tuesday, Oct 21st, Royal Canadian Legion 142 Delburne President David Timms presented Mayor Jeff Bourne with the first Poppy in Delburne.

Poppy boxes are being distributed around the community at local businesses. The Poppy should be worn on the left side, over the heart.

Building a Safer Delburne Through Partnership

When an emergency happens in a rural community, a successful response depends on how well local leaders know, trust, and communicate with one another.

The Village of Delburne, Chinook's Edge School Division, and the Three Hills RCMP are working together to build strong relationships before an emergency occurs. By collaborating during times of calm, these partners are helping ensure a coordinated, timely response when the unexpected happens.

Each partner plays an important role in protecting the people of Delburne:

Village of Delburne— Emergency Management: Serves as the local coordination centre, overseeing municipal infrastructure, coordinating facilities, and supporting the community's emergency response.

Chinook's Edge School Division: Maintains its own Emergency Management Plan to help protect the students and staff at Delburne Centralized School.

Three Hills RCMP: Provides law enforcement services and responds to emergencies as a key first-response partner.

By strengthening communication, understanding each other's roles, and planning together, these partners are building a safer, more prepared Delburne.

L-R - Irv Heide (Delburne Director Emergency Management), Jocelyn Pennock (Principal), Dr. Ryan Sawula (Superintendent, Chinooks Edge School Division), Jeff Bourne (Mayor), Karen Fegan (CAO), De Anne Hutchison (CESD, School Board Trustee), Sgt. Justin Dawley (Three Hills RCMP)
